

All-new  
Hyundai STARIA.

# Step into the Space.

Prepare to embark on a new journey into the revolutionary space of STARIA. The vehicle where you will experience maximum space, comfort and luxury unlike any. In this space, the possibilities are as unlimited as the different lifestyles of its owners. It's one small step for STARIA and one giant leap into the future of mobility.

# STARIA

STARIA stirs up the winds of change to open a new chapter in driving. Inspired by the concept of a luxurious modern lounge, the futuristic styling commands instant attention. The lounge idea is fully realized the moment you step inside the multi-open space cabin, where you are greeted by a wonderful feeling of openness and smart technologies that make daily driving a lot easier.

# Design in a new direction.

For a clean break with the past, STARIA designers adopted the one curve gesture to advance design in an entirely new direction. Radiating simplicity and high-tech elegance, the futuristic silhouette provides clues to STARIA's cutting-edge technologies that make driving safer, more comfortable, and more convenient than ever before. STARIA does more than establish a new design aesthetic: it redefines the luxury segment to stand in a class of its own.

Full LED headlamps

Parametric pixel lights (LED rear combination lamp)

18" alloy wheels

# In a class of its own.

From the moment you first lay eyes on STARIA, you know it stands in a class of its own. It's not imitative or derivative but a truly original creation—the product of inspired design. Inside, you're greeted by a spacious, wide-open cabin that flourishes with premium touches such as the digital gauge cluster and elegant materials that feel so soft to the touch and are always easy on the eyes.

# Space Supremacy

The STARIA offers limitless possibilities and is perfect for both short and long excursions. There's ample legroom, shoulder room, and headroom, plus multiple USB charging ports on board to keep everyone entertained during the trip.

## Full flat seats

Folding the backrests of the 2nd, 3rd and 4th rows into the flat position increases the load space to 2,468mm so you can carry oversized items, extra luggage, or enjoy overnight camping when you feel like.

# Everyday is liberation day.

STARIA's smart features are truly liberating—they give you the freedom to focus on more important things. With the smart key, STARIA's sliding doors open and close automatically. There's an abundance of storage space, and nice-to-have convenience features like the AVN display that serves as a surround-view monitor while parking or as a rear-view monitor to let you keep an eye on traffic behind you.

**Smart power sliding door**

**Long sliding seats**

Increasing the range of the to-and-fro motion of the rear seat makes it easy to create extra luggage space and helps passengers get in and out more easily.

**Smart power tailgate (with auto-close function)**

With the smart key and new proximity sensor, tailgate operation is truly smart and hands-free: it opens and closes automatically without requiring any driver input whatsoever.

**Surround View Monitor**

Surround View Monitor displays video feedback of the situation around the vehicle for safe parking.

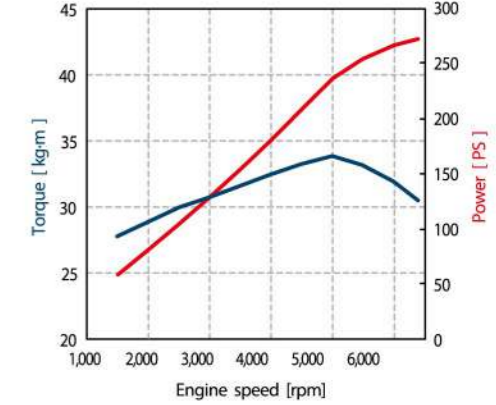

# Powerful and safe.

V6 λ III 3.5 MPI (Gulf Stream G3.5) gasoline engine with shift by wire 8-speed automatic gearbox, STARIA's new and more efficient powertrains unleash powerful performance and a rush of endorphins. Safety features include 3-point seatbelts and headrests for every passenger, and the latest airbag technologies to keep everyone aboard well-protected.

**3.5L V6 (Petrol)**  
**272** Maximum Power  
 ps/6,400 rpm  
**331** Maximum Torque  
 Nm/5,000 rpm

V6 λ III 3.5 MPI engine

3-point seatbelts / 6 airbags

# Supreme in Safety

**6 Airbags**  
The STARIA comes equipped with best-in-class quality airbags that help ensure safety in the event of a mishap.

**Parking Sensors**  
Sensors located at the front and rear of the vehicle help make parking the STARIA a hassle free affair.

**Child seat anchor (ISO-FIX)**  
In order to ensure comprehensive safety for all passengers at once, the STARIA comes equipped with ISOFIX seat anchors to fasten mounted seats when necessary.

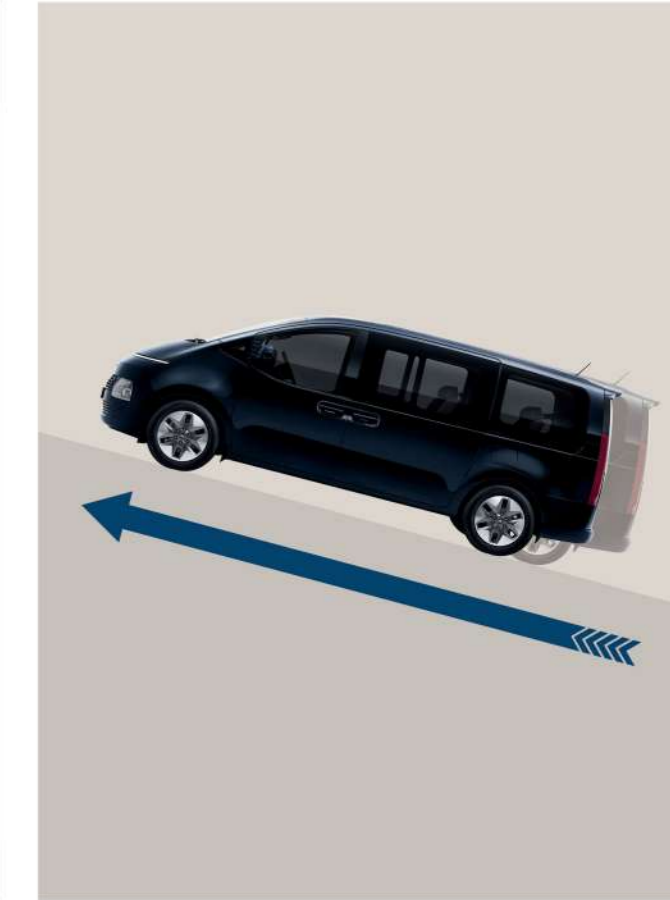

**Auto Brake Hold**  
The addition of this function helps add another layer to the vehicle's safety as it prevents the vehicle from rolling off a slope unexpectedly.

**Blind-Spot View Monitor (BVM)**  
When operating the turn signal switch, BVM displays video of the blind-spot view for the direction indicated.

**Traction Control**  
In times of concern, when roads are deemed hazardous - Traction Control allows for greatly improved grip for tyres on the road even in dangerous slippery conditions.

**Hill Start Assist Control**  
Traveling through perilous routes and winding paths is made much easier as this function prevents roll back when starting the STARIA again on an incline.

# Features

LED headlamps

Parking sensors

One touch safety with Auto Up/Down

Smart entry with welcome light

Shift-by-wire automatic transmission

Auto dimming ECM rear view mirror

Wireless phone charging

Dual sunroof

Flush glass

Rear windows curtains

8" floating infotainment system display

Semi-punched leather-wrapped steering wheel

10 way powered driver seat

1st-row ventilated seats

1st-row heated seats

10.25" cluster

Paddle shifters

Dual zone automatic climate control (front and rear)

Rear AC controls

USB outlets at all seats

# Specifications

Segment		STARIA HGS 3.5 A/T	
Brand		Hyundai	
Model		Staria HGS	
Version		HGS 3.5 A/T	
Country of Origin		Korea	
Dimensions	Exterior L x W x H (mm)	5253 x 1997 x 1990	
	Wheelbase (mm)	3273	
	Ground Clearance (mm)	186.0	
	Gross Vehicle Weight (kg)	3140	
	Minimum Turning Radius (m)	5.97	
	Number of Doors	5 doors	
	Seating Capacity	11 person
